

NEW GUIDELINES FOR DEBRIS REMOVAL AND DISPOSAL
(COMMERCIAL & RESIDENTIAL)

***All contractors must notify Waynesboro City Hall personnel before any work is performed such as tree cutting and removal of debris, including building and demolition debris, from land owners' property.**

*** All property owners need to bag leaves and straw (do not put in garbage cans), and make sure that all debris is in one location.**

*** All property owners are responsible for making sure that the debris is not located under power lines or near other utilities.**

*** All property owners must notify Waynesboro City Hall personnel before cutting any trees or placing any excessive amounts of debris on a street right of way.**

*** All property owners will have a once-a-week pick up service.**

*** Debris such as trees or limbs must be cut in 4 foot lengths or less.**

*** All debris in excess of one truckload per week will be billed to the property owner at a rate of \$35.00 per load.**

*** No debris of any kind will be allowed to be burned in the ditches owned or maintained by the City of Waynesboro.**

*** All business owners and residential customers must notify Waynesboro City Hall before hauling debris type materials or any other approved type material to the landfill.**

*** All dumping fee charges will be paid in advance at Waynesboro City Hall,**

Rubbish Site Hours

Monday thru Friday 7:30 AM until 11:45 AM and 1:15 PM to 3:45 PM.

Dumping fees are as follows: Pickup trucks- \$8.00 per load

**Trailers (up to 16 feet) and dump trucks (less than 15 yards)- \$20.00
Per load**

**(No charge for pickup trucks and trailers up to 16 feet when delivered
by residents of the City)**

All dump trucks with a capacity greater than 15 yards and all trailers over 16 feet will be measured by rubbish site operator and shall pay a rate of \$5.00 per cubic yard.
